Going Public: Civic and Community Engagement on JSTOR

Going Public examines programs related to civic engagement and the ways in which faculty and students participate in communities in order to improve them. Engagement scholarship is a scholarship of action, a scholarship of practice that takes place both in and with the community.

Going public : civic and community engagement - worldcat.org

The terms "civic engagement" and "community engagement" have various definitions, but they are united by the sense that individuals who are civically engaged not only are concerned about the quality of life in their communities but also take action to improve conditions for the common good.

"Going Public: Civic and Community Engagement" by Hiram E ...

Going Public examines programs related to civic engagement and the ways in which faculty and students participate in communities in order to improve them. Engagement scholarship is a scholarship of action, a scholarship of practice that takes place both in and with the community. Within the framework of this new scholarship, the mission of the academy does not begin and end with intellectual ...
