Precast concrete - Wikipedia

Precast concrete is a construction product produced by casting concrete in a reusable mold or "form" which is then cured in a controlled environment, transported to the construction site and lifted into place ("tilt up").

Colonization - Atomic Rockets

A more dubious reason is that the author is writing about Bat Durston, that is, they are being lazy by writing a space western. Westerns are set in the wild west, the corresponding location in science fiction is an interstellar colony.

Interstellar Empire - Atomic Rockets

There are those who in the realm of science fiction literature wonder if galactic empires are the new "Middle-Earth". But interstellar empires never seem to go out of style, and regardless of their practicality they remain a powerful meme.
